FOREWORD

The 1975 Beaver is an annual of both new and old ideas. It is a "seasoned" annual.

New because it is done in seasons rather than sections. Old because it is always rewarding work, well worth the time and effort put into it.

We hope that in the years to come, "School Is ..." will bring back memories of how school was!

Our football season got off to a good start this year under the leadership of our our new coach Gary Schauer and Ass't Coach Johnny Weisenberger. The boys with the will power and the pep squad with the yells made the tough competition much easier to compete against.

We were proud of the boys when they beat McClusky, rated 8th in the state and then tied with Leeds, rated 4th in the state. Considering all the tough teams in our district, the Beavers had a pretty good season.

HALF TIME ENTERTAINMENT . . .

B POM-POM GIRLS; Susan Johnson, Jill Unterseher, Lois Hoots, Betsy Burtis, Lisa Cusey.

FRONT ROW-Rhonda Martin, Kayme Heintz, Stacey Delger, Valerie Otto, Michelle Schlegel, Audrey Plunkett, Michelle Knodel, Julie Hart, Marna Unterseher. ROW TWO-Tammy Schaubert, Kristi Kunz, Lori Burtis, Becky Kohler, Leslie Hanson, Barbie Buchmiller, Melissa Schaubert, Melanie Hart, ROW THREE-Advisors Karen Fuhrman, Terri Bruer, Cindy Schaubert.

The "B" squad lost some old members and gained some new ones. They are Betsy Burtis and Susan Johnson. They didn't get a chance to perform because of difficulties but did a good job when they did.

Grades 1-6 performed at halftime of the "B" games throughout the year and during Girls Basketball earlier in the year. They had new orange dresses and the Band-mothers bought them new pom-poms. Their advisors were Cindy Schaubert, Terri Bauer and Karen Fuhrman.

"THE ENTERTAINERS!"

(LEFT TO RIGHT) Candy Schaubert, Robin Schlegel, Rhonda Erfle, Karen Fuhrman, Etta Fuhrman, Diane Hagelie, Cindy Schaubert, Brenda Knodel, Penni Plunkett, Janell Hart.

The year was busy but the girls got together and performed at a couple home basketball games. They also performed at the district basketball tournaments. New outfits were purchased and the Bandmothers bought pom-poms for all the girls. The pom-pom girls will lose four Senior members but this enthusiastic group will continue.

"Color My World" was the Brevities theme accented by a pot of gold at the end of a crepe-paper rainbow. The funny skits, long rehearsed solos and the sharp jazz band were the usual part of Brevities. But this year the bright colors and the grade school dressed in candy wrappers added a new touch. Mrs. LaVonne Rustad and Miss Kathy Keith were our honored guests. Miss Rennerfeldt and all that participated worked long and hard to put on a good show. We hope you enjoyed it.

Senior Class Prophecy

Ten years from now we look upon the Senior Class of 1975 and we see:

Candace Eckart; she's on the road driving semi in between hatching little Orves.

Next we find Cindy Hart; she is sitting on her boss' lap taking a letter (in shorthand) for the "Klocke Mechanic Shop".

As we drive down the street of Fessenden we find Janell Hart; she is working at the Medical Center, with David scheduled as every third patient.

We didn't get to talk to Deatte Johnson, but we hear she is busy flying from Air Force base to Air Force base to Air Force base to . . .

We located Bruce Johnson on the football field standing beside O.J. Simpson giving O.J. a few pointers on how to run the ball.

We hear Spook (Steve Schaubert) has dropped the mechanic profession to become a spy. He thinks he has a "nose" for it.

We see Terri Bruer down by the pond calling in all her little "ducklings".

We finally got to talk to Etta Fuhrman in between flights from North Dakota to Texas when she stopped to fill up her broom.

Karen Fuhrman is in sunny California at San Quentin as the warden, still giving orders to everyone she sees.

We had to get permission from Warden Karen to see LaDell Hornbacher at San Quentin where he has permanent residency.

Next we travel to Los Angeles where we find Cindy Schaubert with Lawrence Welk as the new "Champagne Lady".

We find Bob (Steve Hoff), the millionaire, in Washington where he got his start milking cows.

We caught up with Joyce Kleinsasser at the Indy 500 where she is setting a new world's speed record with Daddy cheering her on from the pit stop.

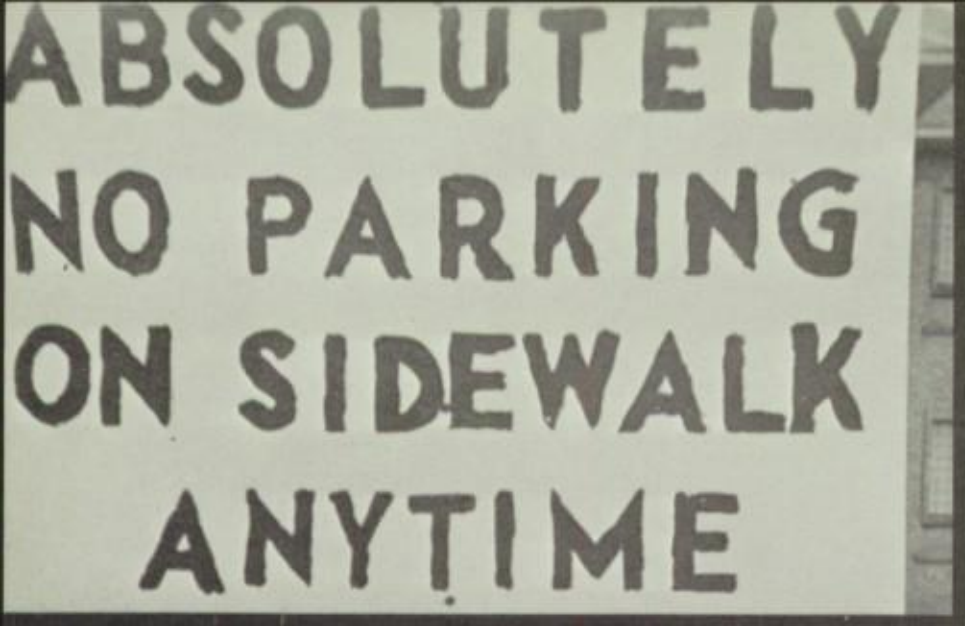
David Schaubert is hard at work selling clothes at the Checkerboard Boutique hoping for a promotion.

Penney Schaubert is still in our little town of Bowdon hard at work in her beauty shop trying to find a formula for straightening curly hair. I wonder whose?

We see Nancy Strickland as an R.N. working under Dr. Markwart in the Bowdon Hospital.

We find Greig Markwart driving his "hot Mercury around Bowdon creating accidents so he can get a few patients.

Mike Neumiller, formerly unemployed, is now working as a plumber on the Schaubert estate.



"Does that mean motorcycles too?"

ENJOYING THEMSELVES!!

On May 9, 1975, 18 Seniors and four chaperones set out on an excursion called annual skip trip! Little did anyone know what fun was going to take place the next three days. From 9:00 in the morning til 2:00 (about) at night we bowled, swam, shopped or just sat around and talked.

On Saturday morning our chaperones said we would have a special guest for supper. Guesses Gov. Link, Fargo mayor with the key to the city, and other dignitaries were mentioned. Honorable Class Advisor Gary Guscette joined us for supper at the Bowler. Sunday was the last day and it was highlighted by a graduation present of an airplane ride from Mr. Guscette. I'm sure it will always be remembered in differents to each Senior but no doubt it will be remembered.

We, the "Class of 1975", would like to extend a gracious THANK-YOU to our parents and teachers. We especially would like to thank Mr. Gary Guscette, our class advisor for the past six years. He put up with our arguments and topped it off with an original graduation gift of an airplane ride for each of us.

We, the Annual Staff, would like to thank our patrons and boosters for their continued support of our yearbook.

This half page is dedicated to all of these people and to those of you who helped us down the road of high school.

Thanks so much again,
"Class of 1975"
and
